MEMORANDUM FOR: Colonel White
Admiral Taylor

Attached in response to your request is a roster of military personnel who have been on extended tours of duty with CIA.

While some of the Air Force and Army assignees have been with us up to seven years our requests for extension have been made on a purely routine basis and we have not made special overtures on behalf of any of these assignees. Our staff is in constant touch with the assignee staffs of the Air Force and Army and no issues have developed on these extensions.

MEMORANDUM FOR: Director of Personnel

SUBJECT : Report of Military Personnel on Extended Tours
with CIA

1. A roster of military personnel who are on extended tours with the Agency is attached. Although a considerable number of Air Force personnel are involved, I believe that the majority of these cases are justifiable in that their assignments to U. S. [redacted] and overseas activities are not dissimilar to normal Air Force assignments.

2. Personnel assigned to OSA have been excluded from this report since this involves a [redacted]

I've discussed the attached material with Mr. Echols. He believes that the best way to record and announce this policy is in the form of a memorandum from him to you with copies going to the Personnel Officers of the various components using military details. Would you please undertake the drafting of such a memo?

In addition, would you please prepare a memorandum to the Executive Director-Comptroller through the Deputy Director for Support advising him of the steps taken to announce this policy.

Thanks.

ILLEG B

1. A proposed memo from D/Pers to Chief, MMPD, is attached. It is suggested that, when the signed original is returned to me, I have sufficient Xerox copies made for transmittal to the Personnel Officers of the various components using military details.

2. Also, a proposed memo for the Executive Director-Comptroller through the Deputy Director for Support, is attached.
